THE TOOL MOST MEN OVERLOOK

Arousal Often Begins in the Imagination

Dirty talk is not simply about saying explicit things. At its best, it creates anticipation, gives language to shared fantasies, and helps two people communicate what they want.

Many men either avoid it completely or jump in too aggressively. This course teaches a middle path: begin with subtle framing, listen for enthusiasm, build intensity gradually, and make sure the exchange remains mutual.

WHAT YOU WILL LEARN

Turn Awkward Silence Into Confident Communication

01 Create Anticipation
Use suggestion and imagination to build tension before intimacy begins.

02 Speak With Confidence
Improve tone, pacing, timing, and delivery without trying to imitate someone else.

03 Read the Response
Notice enthusiasm, hesitation, body language, and verbal feedback before progressing.

04 Find the Right Words
Use more than 70 example lines as inspiration, then adapt them to your relationship and style.

INSIDE DIRTY TALK 101

The Four-Module Path

MODULE 1
The Power of Dirty Talk
Understand why words affect anticipation and desire, how verbal intimacy changes the dynamic between partners, and why consent and context come first.

MODULE 2
Delivery That Feels Natural
Learn how tone, timing, pace, confidence, and intensity influence the way your words are received—without sounding rehearsed or forced.

MODULE 3
Framing Before the Bedroom
Use playful suggestion and respectful sexual framing to create anticipation before intimacy, while reading interest and avoiding unwanted pressure.

MODULE 4
Frameworks and Examples
Explore sensation, imagination, command, ownership, and consensual role-play frameworks, plus more than 70 example lines you can personalize.

WHAT MAKES IT DIFFERENT

A System, Not a List of Random Lines

Step-by-Step Framework
Know how to move from subtle suggestion to more direct language without skipping the trust-building stages.

Natural Confidence
Develop a delivery that sounds like you rather than copying a character that does not fit.

70+ Example Lines
Use a large phrase library for inspiration while adapting every example to your partner's preferences.

Complete Progression
Learn when to continue, when to slow down, and how to make consent part of the interaction.

YOUR INSTRUCTOR

I'm Stirling Cooper

Before becoming an adult performer and men's intimacy coach, I was the shy, awkward science nerd who struggled to speak confidently around women—never mind express desire.

Professional experience taught me that verbal intimacy is a skill. It can be learned, practised, and adjusted to different partners. The strongest communication is never about memorising a magic phrase; it is about presence, timing, confidence, and listening.

Dirty Talk 101 turns those lessons into a practical system you can make your own.
